SCENARIU DIDACTIC: "CONNECTED HEARTS, BEYOND FLAGS AND BORDERS"

Profesor: Postolache Petronela

Data: 20 aprilie 2026

Tema: Comunicare interculturală și valori europene (Erasmus+)

Timp total: 50 minute

Public țintă: Clasa a VII-a + 6 elevi internaționali (Italia, Polonia, Portugalia), prezenți în școală în cadrul mobilității Erasmus (20-24 aprilie 2026)

Organizare: 6 grupe mixte (aprox. 6-7 elevi per grupă)

Principii BBL: Siguranță emoțională (Safe Heaven), Procesare senzorială, Social Learning.

1. ICE-BREAKING: "THE CONNECTED HEART PUZZLE" (8 MIN)

- **00:00 - 02:00: Așezarea:** Elevii intră în clasă și se așază direct la mesele unde se află piesele de puzzle colorate (pregătite anterior de profesor). Grupele sunt deja formate prin culoarea pieselor de pe masă.
- **02:00 - 05:00: Individual Task:** Fiecare elev alege o piesă de pe masă, își scrie numele și desenează un simbol personal (hobby/talent) pe ea.
- **05:00 - 07:00: Group Task:** Elevii assemblează inima grupei pe o foaie A3. Elevul internațional pune ultima piesă ("The Connection Link"), simbolizând legătura dintre culturi.
- **07:00 - 08:00: Debriefing:** Profesorul concluzionează: *"Look at these hearts! Every piece is unique, but the heart is only complete when we are all together. Today, we are one team with one heart."*
- **BBL Hint:** Începerea activității cu obiectele deja prezente pe masă reduce timpul de tranziție și creează o curiozitate vizuală imediată. Fraza de debriefing fixează emoția pozitivă și sentimentul de siguranță în grup.

2. LINGUISTIC CHALLENGE: "BEYOND THE FLAGS" (10 MIN)

- **08:00 - 10:00:** Profesorul indică cele 6 coloane de pe tablă (RO PL PT IT GR GB).
- **10:00 - 15:00:** Reprezentanții grupelor completează simultan coloana corespunzătoare țării din care provine elevul lor internațional (sau țara gazdă): *Country, Greeting* și *My name is...* în limbile respective.

- **15:00 - 18:00: The Value Link:** Traducerea a 3 cuvinte-simbol esențiale (ex: *Friendship, Empathy, Respect*). Elevii internaționali dictează pronunția colegilor.
- *BBL Hint:* Pattern recognition – creierul caută similarități între limbi, facilitând memorarea prin asocieri vizuale și auditive.

3. MUSIC & SYMBOLISM: "AMAZING AS WE ARE" (12 MIN)

- **18:00 - 20:00:** Introducere rapidă: "Why are we amazing just the way we are?"
- **20:00 - 24:00:** Ascultarea melodiei lui Bruno Mars. Completarea fișei (Gap-fill) cu cuvintele-cheie ale acceptării (*eyes, smile, amazing*).
- **24:00 - 30:00: Cross-Border Reflection:** Fiecare grupă alege un vers care descrie cel mai bine atmosfera din clasă și îl discută scurt cu partenerul străin.
- *BBL Hint:* Muzica induce o stare de relaxare alertă, optimă pentru procesarea mesajelor despre incluziune.

4. JIGSAW READING: "BORDERS TO BRIDGES" (15 MIN)

- **30:00 - 32:00:** Profesorul distribuie plicurile cu propozițiile amestecate despre valorile Erasmus.
- **32:00 - 40:00: Logic Challenge:** Elevii colaborează pentru a reconstitui textul valorii lor, ghidați de conectorii logici (First, However, Finally).
- **40:00 - 45:00: Reading the Manifesto:** Fiecare grupă citește textul ordonat. Se subliniază ideea că valorile umane nu au granițe.
- *BBL Hint:* Social brain – rezolvarea unui "puzzle logic" într-un grup mixt stimulează gândirea critică și colaborarea.

5. FEEDBACK: "THE SUITCASE OF MEMORIES" (5 MIN)

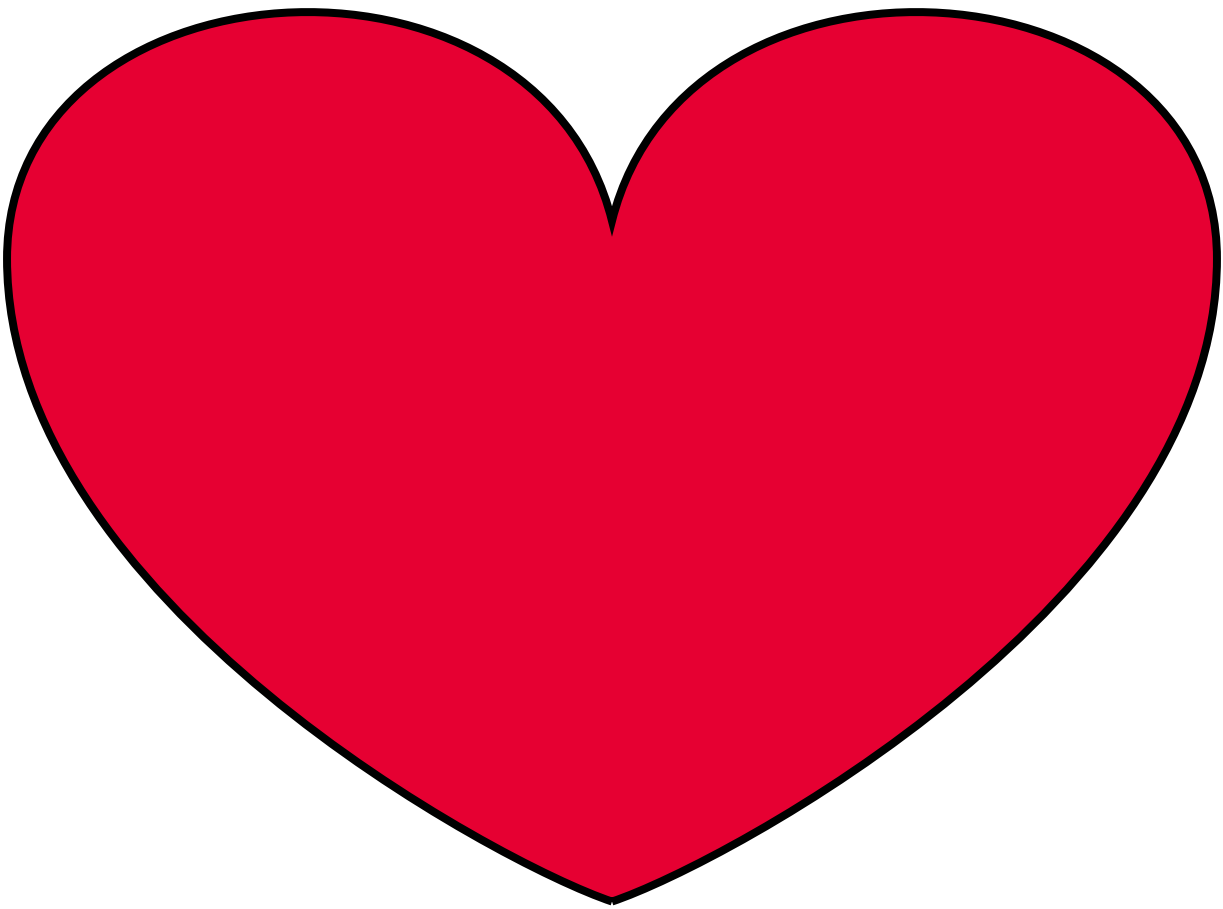

45:00 - 48:00: Elevii scanează codul QR de pe tablă și răspund la întrebarea de pe Mentimeter.

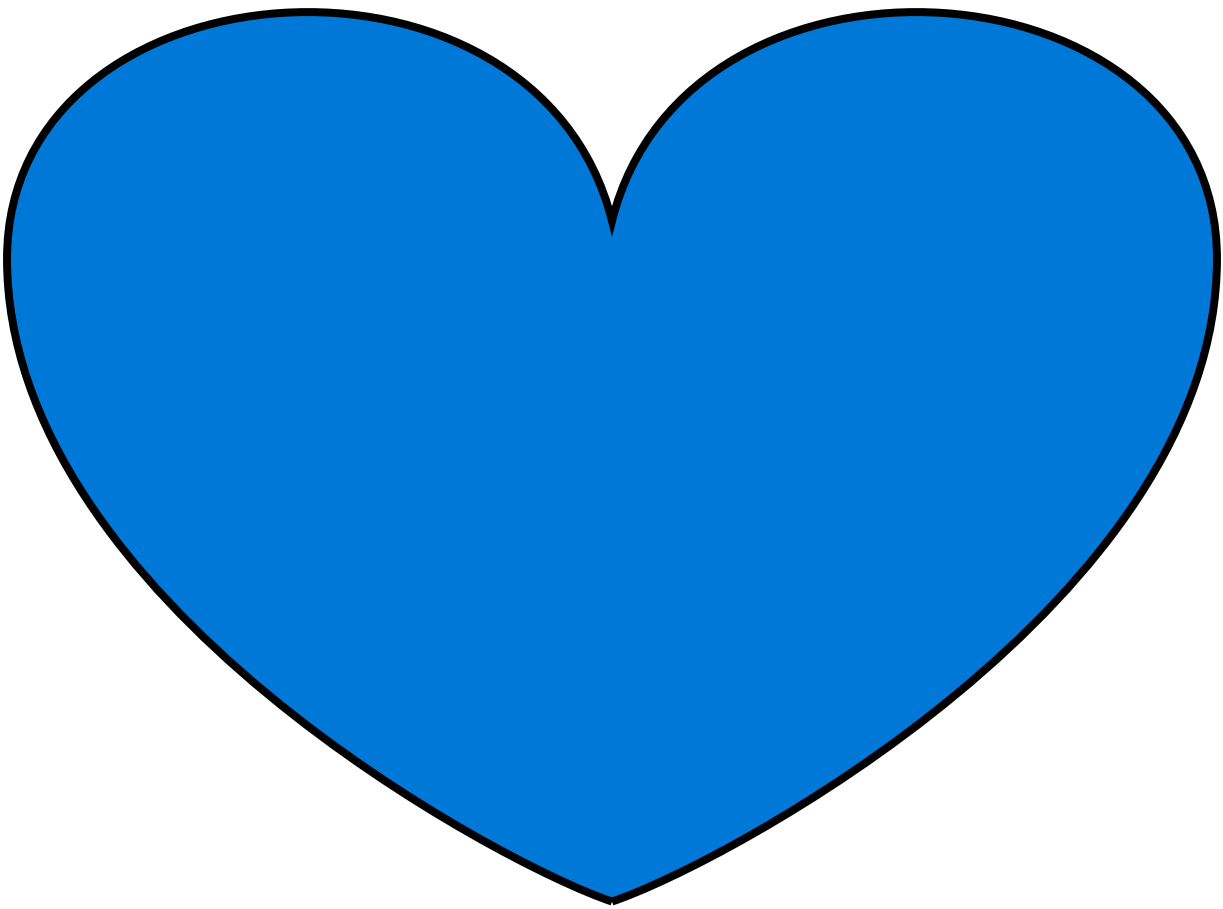

Întrebare recomandată (Word Cloud): "In 3 words, what are you taking home in your Erasmus suitcase?" (În 3 cuvinte, ce ieși cu tine acasă în valiza Erasmus?)

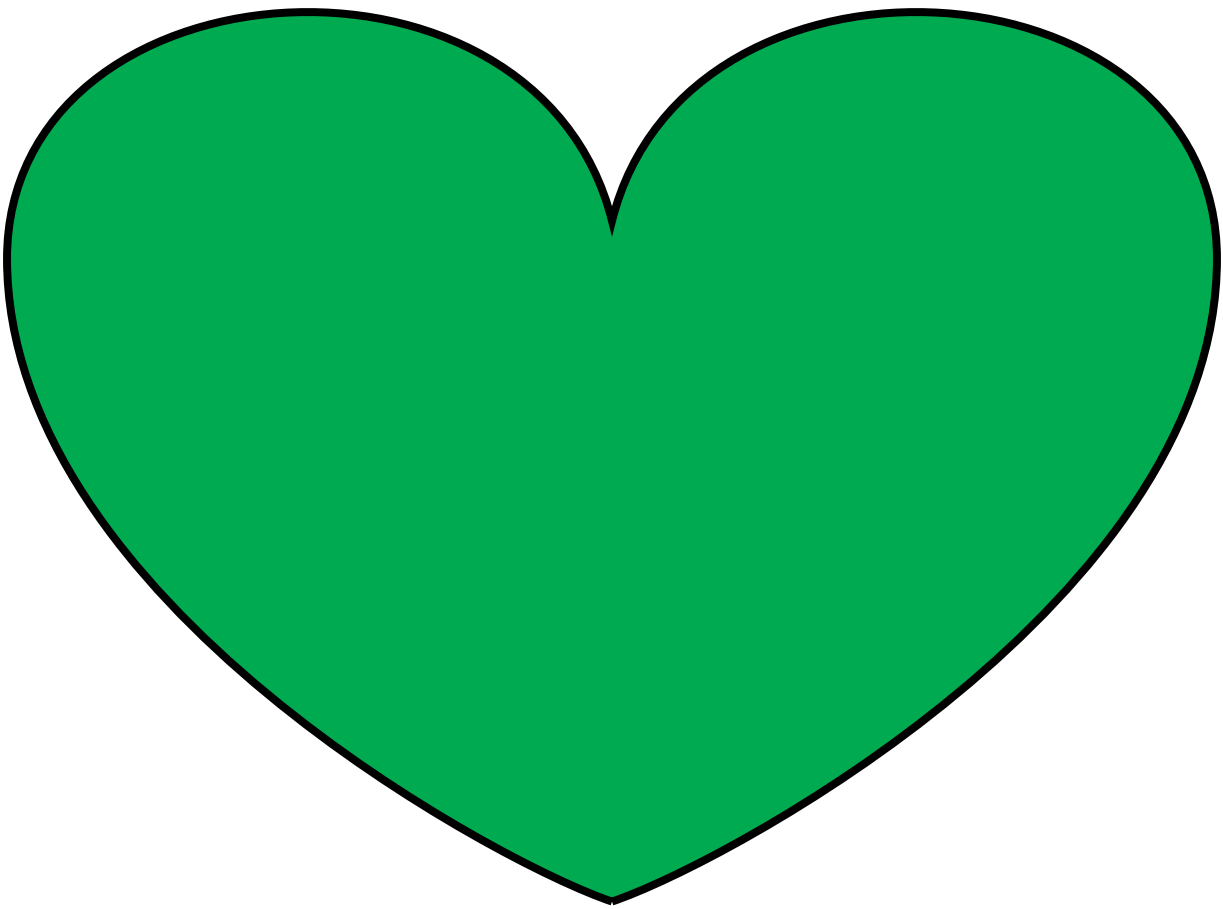

48:00 - 50:00: Vizualizarea "norului de cuvinte" generat în timp real. Aceasta va servi drept fundal digital pentru fotografia finală de grup

CONNECTED HEARTS, BEYOND FLAGS AND BORDERS

In 3 words, what are you taking home in your
Erasmus suitcase?

JIGSAW READING: ERASMUS VALUES

Instrucțiuni pentru profesor: Decupați propozițiile de mai jos pe liniile punctate. Amestecați benzile de hârtie înainte de a le oferi fiecărei grupe. Elevii trebuie să le așeze în ordine logică folosind conectorii textuali.

GRUPA 1: FRIENDSHIP (Prietenia)

- **First of all, friendship is the most beautiful bridge between two different cultures.**
- **It usually starts with a simple smile or a kind word in the classroom.**
- **After spending time together, we discover that we share the same dreams.**
- **Even if we speak different languages, a true friend always understands your heart.**
- **Therefore, distance does not matter when a connection is strong and real.**
- **Finally, we leave this project not as strangers, but as lifelong friends.**

GRUPA 2: TOLERANCE (Toleranța)

- **To begin with, tolerance means accepting that everyone has a unique way of being.**
- **It is not always easy to understand ideas that are different from ours.**
- **However, when we open our minds, we learn something new from every person.**
- **This value helps us live together in peace and harmony in the same school.**

- **Consequently, a tolerant person is a person who builds bridges instead of walls.**
- **To conclude, respecting others is the first step towards a better world.**

GRUPA 3: EMPATHY (Empatia)

- **Empathy is often described as the ability to walk in someone else's shoes.**
- **At first, it requires us to listen carefully without judging the person speaking.**
- **By doing this, we start to feel what the other person is going through.**
- **This emotional connection makes our Erasmus group feel like a real family.**
- **For this reason, empathy is the most important tool for preventing conflicts.**
- **In the end, understanding others helps us understand ourselves much better.**

GRUPA 4: RESPECT (Respectul)

- **Respect is the foundation of every healthy relationship in our society.**
- **It starts with the way we talk and look at the people around us.**

- **For example, we must value every language and tradition present in this room.**
- **Moreover, respect means protecting the environment and the places we visit.**
- **If we show respect, we will certainly receive respect back from others.**
- **In summary, treating everyone with dignity is a rule that has no borders.**

GRUPA 5: DIVERSITY (Diversitate)

- **Imagine a garden where all the flowers are exactly the same color and size.**
- **Such a garden would be very boring and would not inspire anyone.**
- **Similarly, our world is beautiful because it is full of different cultures.**
- **Diversity brings new ideas, amazing food, and colorful traditions to our lives.**
- **Although we are different, we are like pieces of the same big puzzle.**
- **Finally, let's celebrate our uniqueness because it makes us stronger together.**

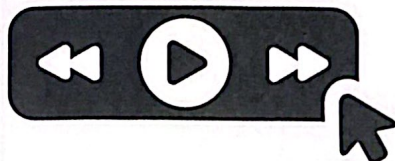

GRUPA 6: TOGETHERNESS (Solidaritatea / Unitatea)

- **Working alone can be fast, but working together takes us much further.**
- **In this group, every member has a special talent that helps the team.**
- **When one of us is confused, the others are there to offer help and support.**
- **Because of this cooperation, difficult tasks become easy and fun activities.**
- **We must remember that unity is our greatest power in this European project.**
- **To finish, let's hold hands and prove that together we can change the world.**

HIT #12

JUST THE WAY YOU ARE

🎵 click or scan to listen to the song

This was Bruno's first charting single as a lead artist. When the song reached #1 on the Billboard Hot 100, he became the third solo male artist to peak at the top position with a debut solo release in 2010. Mars said: "I'm a big fan of simple songs. When we wrote Just The Way You Are, I wasn't thinking of anything deep or poetic. I was telling a story. Get ready to fall in love!"

Lyrics

Oh, her eyes, her eyes
 Make the stars look like they're not shinin'
 Her hair, her hair
 Falls perfectly without her tryin'
 She's so beautiful and I tell her every day
 Yeah, I know, I know
 When I compliment her, she won't believe me
 And it's so, it's so
 Sad to think that she don't see what I see
 But every time she asks me, "Do I look okay?"
 I say

When I see your face
 There's not a thing that I would change
 'Cause you're amazing
 Just the way you are
 And when you smile
 The whole world stops and stares for a while
 'Cause girl, you're amazing
 Just the way you are
 Yeah

Her lips, her lips
 I could kiss them all day if she'd let me
 Her laugh, her laugh
 She hates, but I think it's so sexy
 She's so beautiful and I tell her every day
 Oh, you know, you know
 You know I'd never ask you to change
 If perfect's what you're searchin' for,

then just stay the same
 So don't even bother askin' if you look okay
 You know I'll say

When I see your face
 There's not a thing that I would change
 'Cause you're amazing
 Just the way you are
 And when you smile
 The whole world stops and stares for a while
 'Cause girl, you're amazing
 Just the way you are

The way you are
 The way you are
 Girl, you're amazing
 Just the way you are
